

Achievement Levels Primary to 12

Key messages

Achievement levels are used to describe the level of achievement with an outcome / or outcomes.

Achievement levels focus on the depth of knowledge and understanding, and the extent of the application of the outcome.

Level 4	In-depth knowledge and understanding of content and concepts. Able to extend the application of related skills.
Level 3+	Competent +
Level 3	Competent knowledge and understanding of content and concepts. Appropriate application of the related skills.
Level 2+	Developing +
Level 2	Developing knowledge and understanding of content and concepts. Developing in the application of the related skills.
Level 1+	Limited +
Level 1	Limited knowledge and understanding of content and concepts. Limited application of related skills.

PowerTeacher Gradebook

In Gradebook, teachers can link outcomes assessed to an assessment and record the level of achievement with each of the outcomes assessed.

In Gradebook's "Student View", teachers can review the pattern of achievement of students with each of the outcomes assessed.
